Abominations in Proverbs

Proverbs 6:16-19 says *“These six things doth the Lord hate: yea, seven are an abomination unto him: A proud look, a lying tongue, and hands that shed innocent blood, An heart that deviseth wicked imaginations, feet that be swift in running to mischief, A false witness that speaketh lies, and he that soweth discord among brethren.”* An abomination is defined as something that is “hateful, vile, or detestable.”

There are seven things listed in this familiar passage in Proverbs that are abominations to God. If he detests them, we had better know what they are and detest them too. In looking throughout Proverbs we find there are several other acts that are abominations – let’s take a look at a few of those.

First in Proverbs 3:32, *“For the froward is abomination to the Lord: but his secret is with the righteous.”* A forward person is an evil minded, contrary person. The Lord doesn’t like anyone who is dishonest. The previous verse is also a warning to us: Proverbs 3:31, *“Envy thou not the oppressor, and choose none of his*

ways.” Don’t be jealous of cruel people and don’t follow their example!

Next we find that a false balance is an abomination to God. Proverbs 11:1, *“A false balance is abomination to the Lord: but a just weight is his delight.”* He wants us to deal fairly and honestly with all those around us – don’t be a cheater because he hates cheating but loves those who are honest.

God hates the sacrifices of the wicked. If you are wicked, don’t bother with sacrifices — take care of your faults — then make a good sacrifice. Proverbs 15:8, *“The sacrifice of the wicked is an abomination to the Lord: but the prayer of the upright is his delight.”* He detests gifts from the wicked. Remember the sacrifice offered by Cain? God had “no respect” for Cain’s sacrifice. Proverbs 21:27 tells us that if we sacrifice with evil intentions it is an abomination, *“The sacrifice of the wicked is abomination: how much more, when he bringeth it with a wicked mind?”*

The thoughts of the wicked are an abomination to God. Proverbs 15:26, *“The*

thoughts of the wicked are an abomination to the Lord: but the words of the pure are pleasant words.” We need a pure heart and mind to generate pure thoughts, Proverbs 23:7, “For as he thinketh in his heart, so is he...”

God also detests those who try to justify the wicked and those who condemn the just and finds them both abominable in his sight. Proverbs 17:15, *“He that justifieth the wicked, and he that condemneth the just, even they both are abomination to the Lord.”* The NIV translates this as, *“Acquitting the guilty and condemning the innocent — the Lord detests them both.”* Don’t stick up for wickedness! Don’t justify the evil someone does. Evil is evil and needs to be condemned by all.

Those who have an arrogant heart are an abomination in God’s sight. Proverbs 16:5, *“Every one that is proud in heart is an abomination to the Lord: though hand join in hand, he shall not be unpunished.”* Those who are conceited will face punishment. We are also warned about these sins in 2 Timothy 3:2, *“For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy,”*

It is important to know what the Lord loves. We are told some of these in Phil. 4:8, *“Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things.”*

It is good to meditate on all these things the Lord promotes.

But it is equally important to know what God hates and make sure that we don’t do any of those things or support those who do. Make sure that we understand these are all abominations to the Lord: the evil minded, those who use a false balance, the sacrifices of the wicked, the thoughts of the wicked, those who justify the wicked, those who condemn the just, the arrogant in heart, a proud look, a lying tongue, hands that shed innocent blood, the heart that devises wickedness, feet that run towards wickedness, those who speak lies and those who sow discord.

Broken Bow, OK

Hello,

The Broken Bow congregation has been relatively well — for the most part. However, Sis. Jean Camp has experienced several weeks of significant health issues. She has recovered some, but not well enough to attend services. Her presence is greatly missed. The McKinney’s both have had doctors’ appointments recently. Bro. John had an eye

hemorrhage causing him to lose partial sight in his right eye. He will be periodically traveling to Oklahoma City to receive eye injections to stop the bleeding. We are praying his vision will be restored completely. Sis. Betty has an enlarged thyroid lobe and an enlarged blood vessel in her neck, both with calcification. She has been dealing with headaches, sinus pain, and fatigue. We are praying for these issues to

subside quickly. Sis. Sherry Hendon is recovering from a recent surgery and has also made plans to attend the meeting in Yuma. We pray for a speedy recovery, and a safe and spiritually uplifting trip for all attending this wonderful meeting. Sis. Carolyn Queen is experiencing back pain. Please pray that doctors will develop a treatment plan to alleviate her discomfort.

Wednesday evening Bible study for our young people began for the new year recently. A planning meeting to gather ideas for Bible study topics and community service was profitable, with many great ideas being discussed. The group will be making Bible bags to pass out throughout the community and to visitors at the church. The bags will contain a Bible and several quick Bible reference cards for guidance and study. The group also made plans to do several community service projects, including yard beautification at the church, trash pickup, helping older members with chores, and nursing home visits.

Planning for Big Spruce Family Camp 2020 is well underway. Everyone is looking forward to a great camp, with encouraging lessons, spiritual growth, fellowship, and family fun. Camp will open to guests at 4:00 pm Saturday, July 11 and close Sunday, July 19. RV sites and dorm space will be available. To reserve accommodations, contact John or Betty McKinney. Thank you to all past and current generous camp supporters! Your donations enable the week-long camp to be free to all attending. To make reservations or donations, please contact Betty McKinney @ (509) 833-7569 or through messenger.

Gleed, WA

The Gleed congregation sent us the following message:

Their gospel meeting is June 28th-July 1st with Guest speakers.

Goshen, AR

Hello my Christian Brothers & Sisters,
It has been a long time since I wrote a newsletter to the paper.

The church at Goshen is small, but we continue to meet as the Lord asks us to come together to remember Him and what He did for us.

I hope that most of the churches are doing well and staying well. Our group has had a lot of viruses and such this winter. We have had a roller coaster winter. Three – four days of sunny with 50° - 60° temperatures. It's been February, 2020

real nasty on our sinuses. Half the church has had it off and on all winter.

We have a 92 year old sister in the hospital bleeding. So far, they haven't found the cause. Maybe the doctor will find out tomorrow as he will be doing more testing. Her name is June Auslam; she needs your prayers; not only for her sickness, but also to help her emotionally. Just last week she lost her first cousin, Lawanda Parks, who was 89 years old and a member of the Goshen congregation for the past 5-6 years, but a long-time member of the

church (since in her 20's, I think). She was a very pleasant person. She only lived 1 ¼ miles from me here in Elkins. She had lived with June Auslam for several years. In June she had to sell her home because she was no longer able to keep up with it. She is living with her son, another faithful member, Tim Auslam & his wife, Dee Dee.

June's son, Paul Auslam & my son, Mark Daniels, keep the church going. Mark & Paul are both good teachers. Paul is retired from his job of about 30 years. My son is an engineer who designs guns for Wilson's Tackler. He makes hunting rifles, pistols, and military guns

for different branches of military. His last project was for the Navy. He loves his job, but he loves the church more. Aaron Brown is a young member. He & Mark are about the same age, 40-41. We have hopes that Aaron will become another speaker. He helps now with prayers and he leads singing. We are proud of all our men in the service of Christ.

Winter will end and Spring will come. Anyone traveling by, please stop & worship with us, the Goshen, AR, congregation.

In Christian love, Sis. Rachel Traxler.1-479-643-2758

Lorenzo, TX

Greetings to all our brothers and sisters,

Our Bro. Jimmie & Sis. Jaetta Loftis have moved from their home in Lorenzo to space provided by Bro. Evert & Sis. Becky Forsman in their home. The members of the Lorenzo congregation assisted with their move. The Loftis' home has already been sold and now must be emptied by March 23rd.

Bro. Larry & Sis. Maxine Pollen visited the Loftis when they heard of the move and provided much valuable help). It's always good to see them.

Sis. Becky Forsman has recent knee surgery. With the moving of her parents, it had not been

easy on her knee when carrying articles and boxes around.

There have been others experiencing flu and other sicknesses the past few days, especially Bro. Jimmie and Sis. Jaetta Loftis, Gene Boling, and Jerry & Wynetta McCay. All seem to be recovering nicely.

We have been experienced some odd weather patterns. It would be freezing one day with a little snow, and 70° + the next day.

The Lorenzo meeting will be July 3 - 9, 2020. Speakers: Eric Harper & Kevin Lamb. All are welcome.

Yours in Christ from the Lorenzo, TX congregation.

Yakima, WA

Brothers and sisters,

I have a little news from Yakima. Cinde McCay fell and broke her hip in October. After replacement surgery she is making good progress in physical therapy. Kay McCay had knee replacement surgery last month and is also doing well and on the mend. We've had a pretty mild winter so far and we're hoping that it will stay the same right into Spring. We have

not set a date for our meeting yet but will let you know as soon as we have the details. As we get older, we are encouraged by all our young members who are stepping up to the challenges of preaching, and church leadership. It gives us great hope for the future of Christ's Church. The best news we have to share is that we have a new sister — Patricia Sage was baptized last Sunday, Feb. 16, 2020. She and her husband

The Christian Courier

James have been meeting with us this spring and we are thrilled to share this news. Stop by and visit or meet with us if you are in this part of the country.

Love to all,
Bro. Bill McCay, Jr. for the congregation in Yakima, WA

Yuma, AZ

Well it's almost time for the annual Yuma meeting and I would like to let everyone know the invitation is open to all that would want to come and join us. The dates for the meeting are from the 8th of March through the 15th of March. We would love to have anyone and everyone come and be with us to hear some wonderful lessons from all of the great teachers that are going to be here. The singing of praises to God our Father is always so much better with all the great voices blending together. So if you can make it let us know so that we can better prepare for the gathering of some of the most loving Christian people.

We have some very sad news to report in the passing of our dear Sister, Iris Stewart. Sister Iris had a major stroke and passed away shortly after. Iris and her husband, Melvin, joined our little family here in Yuma a number of years ago and have given us such a boost. We all felt her love that she had for us and we loved being with and around her. She was one of the sweetest and kindest ladies to walk this earth. She will be sorely missed by family and friends. She will be interred in El Centro, CA.

Sis. Roseann Bryant, Grand Daughter, will be sending further information regarding the obituary with dates, times and a little of her life. More health news concerning my Uncle Harry Davis and his wife, my Aunt Alice Davis. They both fell ill and were sent to the hospital. Harry had a heart attack and kidney and liver problems along with the flu. He is home now and is still having some serious health problems. Now my Aunt Alice was sent to the hospital with the flu and she is back home as well and still has some health issues. They both will need prayers as well as the Stewart family. Prayers for all of our brothers and sisters in need, we pray constantly for all of you out there. Please, if you plan on being here do me a favor, drive safely and if possible let us know your intent. Would love to have calls on your travels so we won't worry about you. My cell number was not correct in the January issue of the Courier. The correct number is 928 503 3709, fell free to call any time. We are looking forward to seeing you soon.

For the Yuma Congregation, Bro. Denny and Sis. Susie Davis.

News From Abroad

Harlingen, TX

Loved brethren,
I greet you fraternally and I want the blessings of the Lord in His work. Also, I

comment on some of the work in January and February.

I travel again to Guatemala to participate in the establishment of a new congregation in Huehuetenango that began with 9 members but now have 21 in total.

I studied for three days with brothers to prepare for the work with the church because they go out of evangelical church and it is necessary that they have good knowledge or the church of Christ.

Also, in other areas of Guatemala we baptized 5 people that continued meeting in the congregations near where they live.

Also, we travel to Colombia to visit the brothers to encourage them to continue the

Christian life faithfully (here we had new baptisms).

We also had several days of studies, preparing the preachers. The evangelists that preach in these areas continue making the evangelizing work and they are growing in number. Hopefully, the brothers that support this work in these countries continue supporting with their prayers and economically support the expenses that the evangelists make during a week of every month (gas, food, hotel, etc.).

I send some pictures of all these places.

May the Lord bless you all.

Your brother in Christ, Bro. Otto Alvarez.

Report From Kenya

Brethren,

I have gotten monthly reports from Kakamega (Bro. Laban Ambogo), Machakos (Bro. John Mbithi), Naivasha (Bro. Thomas Situma), to add to report from Nakuru (Bro. John Kombo).

Below is the report according to how I received by phone:

KAKAMEGA: Bro. Laban said they meet once every Thursday to discuss and encourage one another. So far the congregation at Matundu is doing very well. No more baptisms since those that were baptized when you (Ellis and Gerald) visited the congregation. Other congregations continue to work together in the unity of brotherhood. Among them are Ivochio, Sigalagala etc. They plan to reach other places like Butere, Bukura and Mumias in order to convert them to one cup worship.

MACHAKOS: Bro. Mbithi reported that there have been 14 baptisms since you visited Machakos. At present they are busy doing door to door evangelism. They need some financial

support for the planned evangelism meeting in Ukambani or Machakos County.

NAIVASHA: Bro. Situma did not give any report on baptisms, but said they are doing much in visiting people to teach and preach the gospel to the community around them.

NAKURU COUNTY: At Barut congregation we had 5 baptisms last Sunday (February 2, 2020).

- Bro. William Wamuliango
- Sis. Emilly Mojumbe
- Sis. Linah Chebet
- Sis. Angela Chepkurui
- Bro. Kelvin Neondo

Sis. Linah Chebet is Bro. Robert Keiyo's wife. She had resisted to be baptized second time claiming that she was baptized when she was young in a denomination called African Inland Church (A.I.C). But I continued visiting and teaching her. We are happy and Bro. Robert is happy too that she is now baptized. Bro. Robert was a member of Catholic before he became a Christian in the Lord's Church.

At Rondah Church we had a harambee (contribution meeting) to contribute money to build a perimeter wall around the church building.

The ten congregations at Junction Total where we visited are also doing very well. They are planning a big rally in the area which would be used to invite other congregations which still use multiple cups for Lord's Table. I

told them to be patient till when there will be enough money to support the rally.

The National committee kindly requests to get financial support to be able to hold a national meeting. We have not had one since you visited Kenya.

May God bless the Church in America, Kenya, Tanzania, Uganda and in Liberia.

God bless you.

Report From Tanzania

Hello and greetings to all,

We hope this update from Katoro Congregation, Tanzania, finds our beloved well and sound. With government activities that are going on and which we have been /will be involved whenever required. Church members have experienced busy days and time that are before us.

Bro. Edward's son who is 9 years old was lost for 17 months and nowhere about until now. We have searched and reported but he is still not found. We need the prayers for faithful Lord's people so that God can bring him back. His mother has been crying ever since he was lost.

Most members are doing well with the work of evangelizing and teaching and we all pray that God may increase the harvest. That is the purpose of us being in this world that they may know the truth and this is our calling whenever one becomes a Christian, he must teach others also.

I left my family on Jan 27 to Dodoma to respond for the order from the government which was for all churches around the country, including all the denominations. These meetings were arranged to be sat in every last day of every month, but we requested them to rearrange their schedule because we will not be able to afford to attend their meetings in every

February, 2020

month. They agreed with our request. Our country has many of the mega churches that lure people to follow their way of doctrine; just a couple of days ago, a fake church leader had a crusade and poured oil on the ground telling those who believe him to step on the "blessed" oil and they will be prospered. Over twenty of these people died because of the stampede and he was arrested. These are the people that make it hard for us as the government thinks that we are all part of them. Now his certificate is going to be terminated

After the government meeting, we met with the multiple cups group of eight people that were left idle (abandoned by their multiple cup companions in U.S). They invited us to their homes in Mpwapwa, Dodoma region, where we taught them all principles of the Lord's Supper. The response was good, and they agreed to switch to one cup that we find in the Bible. We are scheduled to meet in March 14, Lord willing, so that we may assemble with them and help them on how to break bread. Much prayers are needed on their behalf.

As we were talking to this group, a Jehovah Witness person (Daniel) came close and heard us talking concerning the salvation and that those who die in the faith will go to heaven. This man said "I was taught that believers will not go to heaven that instead Christ will come

Page 7

and stay with them eternally.” I told him it does not work that way and gave him some of these passages. Rev. 21:4; 1 Thess. 4:17; Ecc.12:7; Thess. 4:14, 17-18, and Isa. 14:9. I told him that in order for one to go to heaven he must die and Jesus will not come and stay with the believers on this earth. This person promised to be immersed when we go on the day of March

14. Brethren, it requires much effort, time, and money. But mostly funds are short to succeed everything planned We need much prayers for these people to remain as God has directed their hearts and we expect fruits.

Your brother in Christ, Bro. Sadat.

Report From Uganda

I have a few reports from the church in eastern Uganda

Everyone is doing well except of few cases of malaria, my wife was admitted in hospital two times, my mom is bedridden, she is having stroke, two sisters have chronic disease Betty and Sis. Eunice

study the Bible, they are in denominations and are promising to change.

We also had one seminar at church, one day two obeyed and were immersed.

We kindly request that we need Bibles, at least 50 bibles.

January Activities

In the month of January, I visited three weak brothers of the congregation together with one sick sister. During my visit to the weak, I taught on the topic: “Be Strong,” taken from Joshua 1:3-7. I also prayed for the sick sister that the Lord may bless her with healing. Also, Bro. Emmett Logan went to the Debah Town on Sunday, January 19, and worshipped with the brethren. During the worship Service, he taught during the Bible Study from the topic: “Unity In the Body of Christ, the Church”. This was taken from the text of John 17:20-23. He also preached a message from the topic: “Who is the Head of the Church?” taken from Matthew

28-20. The attendance of the congregation was 28.

Brethren, we are greeting you in the precious name of our Lord and Savior Jesus Christ and wishing all of you the spiritual blessings in Christ. Through the Spirit of love and oneness in Christ, we do hereby present our “2020” Work Plan of Action” to you and whole heartedly soliciting your undivided consideration and support our plans of action

In Loving Memory Iris Rose Stewart

April 13, 1942 - February 3, 2020

Sis. Iris Rose Stewart of Yuma, AZ, passed away peacefully on February 3, 2020, at the age of 77. She was born April 13, 1942, in Paris, TN, to Daniel Talbert Robbins and Nina Mable Robbins (Cole). Iris is survived by her sister Cynthia Castleberry, brother Michael

Robbins, husband Melvin Stewart, daughter Anita Stewart, three grandchildren, and five great-grandchildren. She was preceded in death by her parents, Bro. Danny Robbins, son John “Wess” Stewart, and two babies: Rose Ellen Stewart and Bobby Joe Stewart.

Iris was raised in Heber, CA, and attended high school in El Centro, CA, where she met the love of her life, Bro. Melvin Stewart. They were married on May 25, 1958, in El Centro, CA. Over the years, Iris has cared for her family as a loving wife, mother, grandmother and homemaker. Together they raised two children: Wess Stewart and Anita Stewart. They have three grandchildren: Westley Stewart, Jesse Stewart, and Rose Ann (Austin) Bryant, and five great-grandchildren: Nathan

Stewart, Libby Stewart, Jace Stewart, Joshua Rodriguez, and Eli Bryant.

Iris was loved by many. She enjoyed spending time with family, watching her children, grandchildren, and great- grandchildren grow. She cherished these moments. She was lovingly devoted to Melvin, as his wife of 61 years, and together they lived a true love story. Iris dedicated her life to God and to family. She delighted in reading and studying God’s word and worship. This was vital to her as a life-long member of the Church of Christ, and it was important to her that she share these values with her children and anyone she met. In her spare time, she was a creative and talented artist who enjoyed crafting, painting and sewing. She put love and thoughtfulness into her projects, and has left us many wonderful works, both temporal and spiritual, to remember her by.

Matthew 5:16 says, “*Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.*” Iris lived a life that was radiant with faith. She leaned on God to sustain her throughout her life, rejoicing in his blessings, and inspiring us to do the same. Her memory shines within us as a light of love and kindness, as rays of inspiration to live by faith. It carries the warmth of her sweet smile and reminds

us to look after one another until we meet again. We take comfort in knowing that her reward is great in heaven.

(The following was written by Iris Stewart)

*Love is the reason
God gave his son
Love is the reason
He died for everyone
Love is the answer
To my every prayer
Love is the reason
No matter when or where
The blood once shed upon a cross
Still saves the soul that's lost.*
