Joined Unto The Lord

1 Cor. 6:17, "*But he that is joined unto the Lord is one spirit.*"

Eph. 5:30-32, "*For we are members of his body, of his flesh, and of his bones. For this cause shall a man leave his father and mother, and shall be **joined unto his wife**, and they two shall be one flesh. This is a great mystery: but **I speak concerning Christ and the church.***"

But how is one joined unto the Lord, seeing it is likened to being joined unto a wife? While on earth Jesus established the ordinance of baptism just before He went up into heaven. This ordinance is no trivial matter like washing one's face. The ordinance of baptism is an integral part of the gospel.

Gal. 3:27, "*For as many of you as have been baptized into Christ have put on Christ.*" There could be no closer joining than this, being baptized into Christ. Baptism is how one is joined unto the Lord, but there is more evidence.

Rom. 6:3-6, "*Know ye not, that so many of us as were **baptized into Jesus Christ** were **baptized into his death?** Therefore we are*

*buried with him by baptism into death: that like as Christ was raised up from the dead by the glory of the Father, even so we also should walk in newness of life. For if we have been planted together in the likeness of his death, we shall be also in the likeness of his resurrection: Knowing this, that our **old man is crucified with him, that the body of sin might be destroyed**, that henceforth we should not serve sin.*"

Rom. 1:16, "*For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek.*"

Acts 2:37-38, "*Now when they heard this, they were pricked in their heart, and said unto Peter and to the rest of the apostles, Men and brethren, what shall we do? Then Peter said unto them, **Repent, and be baptized** every one of you in the name of Jesus Christ **for the remission of sins**, and ye shall receive the gift of the Holy Ghost.*"

But one may ask, "To which baptism do you refer?" There are more than one in the

scriptures. Yes, it is true there are more than one baptism in the scriptures: John's baptism, Holy Ghost baptism, baptism of fire, to name a few. Therefore, a search of the scriptures will answer the question, "To which baptism do you refer?"

Eph. 4:5, "*One Lord, one faith, one baptism,*" The scripture has eliminated all but one baptism. Which one remains? In the scripture the latter command takes preference over the earlier, as the New Testament takes preference over the Old. The latter command for baptism is Mark 16:16 and Matthew 28:19 and Jesus had revealed earlier "*to be born*

again" is by water and spirit (John 3:5). The apostles followed this example.

Acts 8:38, "*And he commanded the chariot to stand still: and they went down both into the water, both Philip and the eunuch; and he baptized him.*" This man went on his way rejoicing; why? Because he was joined unto the Lord in one spirit.

For your consideration.

Cards and Letters

Lorenzo, TX

Greetings to all our brothers and sisters,

This has been a trying time with the spread of Corona Virus-19. Most people know of someone personally who has gotten this disease.

Sis. Lynell Forsman spent a few days in the hospital being treated for dehydration, which was affecting her kidneys, she is doing much better now.

We were saddened upon the passing of Bro. Evert Forsman on Oct. 19, 2020, and Bro. Jimmy Loftis on Nov. 21, 2020. They will be sorely missed.

Aleisha Matlock and Cody Heinzman were wed on Sept. 26, 2020.

Recent visitors were Bro. Larry & Sis. Maxine Pollan, Bro. Austin & Sis. Rose Bryant & son Eli (Austin spoke twice while here), Sis. Sherry Mooney, Bro. Draven & Sis. Julie Littledeer, Sis. Kelly Shepherd, and Bro. Russell & Sis. Reba Morris.

This will be the last *Christian Courier* published by Bro. Ellis Forsman after 27 years, the first publication he did was in January 1994. However, the Courier will remain in Lorenzo, TX, with Bro. Matt Matlock as the new publisher. Bro. Ellis will be assisting Bro. Matt in this endeavor.

Yours in Christ from the Lorenzo, TX congregation.

Randlett, OK

May God Bless.

Bro. Andy Barnes on behalf of the Randlett congregation.

Ringgold, Texas

Just to drop a few lines to tell everyone how we are doing at Ringgold. We have been quarantined for two weeks but we are all fine now and again in our church building. The coronavirus has been difficult for all of us. Some of our dear ones have not been able to recover and are sleeping in Christ now.

The virus has forced many of us to hold services in our homes. It has had its effects on all of us.

We are told by our Lord in Matt 24:7, "*For nation shall rise against nation, and kingdom against kingdom: and there shall be famines,*

and pestilences, and earthquakes, in divers places."

So being told of these things we should not be surprised to experience them.

We cannot lose sight of our home in Heaven being made ready by our Saviour. And we must remember He prayed in John 17:21 for us to be one with God, Himself, and each other.

May we all "Walk in the Light, as He is in the Light, we have fellowship one with another, and the blood of Jesus Christ cleanseth us from all sin."

Yuma, AZ

Brothers and Sisters in Christ,

Greetings to everyone out there. It has been a while since I have sent in a letter to let you all know how the Yuma congregation is doing. Well for the most part we are doing well. Our group of people is dwindling with the passing of some of our congregation, aunts and uncles but brothers and sisters in our belief in God. We are few but strong in faith. We would like to hear from the other congregations and how you are all doing and this "Courier" seems to be the best way to correspond with each other.

A very sad day today with the passing and funeral of a dear friend of mine and Susie, my wife, a good friend to everyone. We spent

many days and hours with him and Jaetta over the years. Everyone that knows him know the kindness of this man Jimmy Loftis, sitting and talking for hours on end listening to his life stories and his quips and quotes would keep you in stitches and hearing of the things he went through growing up in a completely different time and world than we are living in today, what a beautiful life he lived . We travelled often in caravan to meetings over the years always talking bible scriptures with Jim and Jaetta. He will surely be missed by those of us that knew him.

I would like to announce the dates for our annual March meeting and this year we

moved it back a week to March 14th to the 21st. We are hoping for a great crowd of people to come and be with us barring any governmental restrictions. Pray for us and Christians that we can resume all the meetings across the nation, it's all gloom and doom in every aspect of life these days but we have faith in our salvation no matter the outcome. If you plan to visit if

possible lets us know in order to make our plans to make sure that we have everything for the time we will be together. My phone number is 928-503-3709 if you have any questions.

Harlingen, TX (Sept 22, 2020)

The Christian Courier:

I inform you that many brothers still continue meeting in their houses and only some places meet in the public building.

I received information that several brothers in Coatepeque (Guatemala) have problems of health and one brother died because of the virus. (Also, I comment that we send help because they are very poor brothers.)

In the city of Guatemala, some brothers still have problems of the virus and some lost their works.

In the city of Armenia (Colombia) they report that a brother died and there are two families infected by the virus and other brothers meet in their houses.

In the city of Periera (Colombia) the brothers report that a family that has the virus and other brothers continue meeting in small groups in their houses.

In Merida (Mexico) the brothers report several are sick and other brothers continue meeting in their houses.

In Oaxaca (Mexico) one brother died and several continue some problems of health.

In Rio Verde (Mexico) the brothers already overcame the problems of the virus and some meet in their houses.

In the city of Progreso (Mexico) the brothers are well of their health.

In the city of Cancun (Mexico) two brothers were hospitalized but they are already well.

In the city of Matamoros (Mexico) the brothers continue meeting in their houses because the city does not permit them to meet publicly.

In Brownsville (Texas) we continue meeting in the houses.

In the city of Roswell (New Mexico) I visited the brothers in August and all are meeting in their houses.

All the brothers and evangelists send their greetings and gratefulness.

Your brothers in Christ,
Bro. Otto and Sis. Mariela Alvarez

Harlingen, TX (Nov. 1, 2020)

The Christian Courier,

Dear brethren,

I send a very strong hug and I want that the Lord blesses you all.

I comment that we worked during this past month getting information on the brothers at the different congregations.

I visited for 3 days at the church in the city of Zacatecas, Mexico, because I had information that two brothers died in an accident. All the brothers in the congregation continue firm in the faith.

Also, I visited for two days with the brothers in the city of Big River, Zacatecas, Mexico, to encourage them in the Christian life because all these brothers are new in the faith and they meet in their houses because of the Covid.

I received information of brothers in Guatemala and they comment to me that some brothers were sick during September and

October, but thanks to God they are already recovered.

The brothers in Colombia report that they meet in their houses and that all are of good health.

In Merida, Mexico, the brothers report that one family had been sick, but thanks to the Lord, they are recovering and that possibly in December they can meet in the public building.

In Villahermosa, Mexico, the brothers report that they usually meet in their houses and don't have any sick brothers.

The evangelists continue visiting congregations to encourage the brethren.

I have plans for visiting during November some congregations in the area of Central Mexico.

Receive from my family and the brothers a strong hug in the name of the Lord Jesus.

Your Bro. Otto Alvarez

Harlingen, TX (Dec. 9, 2021)

The Christian Courier,

I send a greeting and a strong hug in the name of the Lord Jesus and our desires that our God keeps you all in the church with good health.

I comment that according to the plans I had during the month of November, we visit some congregations in Mexico (Pachuca City, Cardenas City, Oaxaca City) with the purpose of encouraging the brothers in difficult times concerning their health.

The Lord helped us in this work and all the brothers continue in the faith. My wife returned to our house, but our health is not good, and we decided to be quarantined at home because we

think that we possibly are contaminated with Covid-19 because we have some of the symptoms.

Yesterday, we took a Covid-19 test and we are awaiting the results next week. We have confidence that the Lord will help us with our health; please pray for us.

Thank you for your important participation in the work of the Lord.

I sent some pictures of this visit and we have hope we will be visiting other congregations during January for support work of evangelization and edification of the brothers.

Your brothers: Otto and Mariela Alvarez.

African Mission Changes

We want to thank my father, Ellis Forsman, for creating and continuing the support of evangelism in Africa for the past 10 years. He can no longer continue to be solely responsible due to age and declining health but has graciously consented to continue in an advisory capacity.

Several people have indicated an interest in participating in this evangelistic endeavor. If that is you, please contact us.

From those who are interested, a committee will be formed to deal with all issues related to the African Mission.

- Change - Ellis not sole decision maker
- New - Committee makes all decisions.
- New - Committee sends money monthly.
- New - Monthly payments will be sent to representatives in each country.

Report From Kenya

It is sad news! On the morning of Nov. 30th, Bro. Laban called me saying that Bro. Asembo is dead. He had complained of chest pains some few days ago. He was taken to the hospital where he passed on this morning. He was the secretary for the orphanage committee and one of the very active members of the committee. He died peacefully in the Lord. Pray for his family and the church at this difficult moment of mourning.

The year 2020 to me was a distress. I went through a lot of tribulation due to high blood pressure and heart diseases. Thank God, the prayers did stand on my side. When I was told that my heart had grown oversize was shocked and knew it was the end of my life. I was told that I needed heart operation to survive death. I was afraid and objected this plan of the doctor. This was because I have high blood pressure. The doctor put aside that and instead started administering some medicines which he says is imported from India.

I have been in and out of hospital regularly. I experience much pain during nighttime. Again, on Tuesday the doctor revisited the operation plan. I trust in God who has brought me up to this time. I am happy I serve God and Jesus Christ in His Church. I have hope in Jesus Christ. Just as Paul the apostle said, "For to me to live is Christ and to die is gain" (Phil. 1:21). For Paul to continue living, it would be a benefit for the church because Jesus was living through Paul (Phil. 2:5, 3:1; Gal. 2:20). Paul's martyrdom would benefit the cause of Christ in that his faithfulness, even to death, would also be again to Paul for he would then be with the Lord. For him to live would be to live for the work of Christ.

The above scripture gives much courage as I continue suffering at present because of sickness.

Your brother in Christ, John Kombo

Report From Tanzania

It is our prayer that everyone is doing well and sound.

We thank the Almighty for leaving us in the body that we may serve Him and accomplish what He commanded us to do. Back in October, the two of us made a trip to Dar, the purpose was to renew the church registration of which we did. On this we were delayed and stranded with a fine because it was due on the Oct 15, but we got there several days after. The government is checking every detail of each institution in the country and when they mention something that has to be done; it needs to be because failure to do so the registration might be terminated. We have seen it done to other churches (denomination) and those institutions that are non tax payers has been in these kind of trouble.

The church in Tanzania is growing and Yesterday I talked with brother Caleb in Arusha he said that they are moving on well. For several months we were studying with a

Muslim friend (Ramadhan) who is now a Christian brother. Ramadhan was converted last month with his household; this is a six member family and we still have ten houses in that village to visit Lord willing and through prayers and supplication we hope that all of them will come to know the truth. The work is hard as pertaining to transportation there are some places that one cannot reach by foot but motorcycle or a bicycle and these are remote area. God's family is growing both spiritual and in number and for this reason our cry is still the same, that we may get a place for worship through the help from the brethren lest our work be in vain.

Months of Oct - Nov has been sickness months, our sis. Merina and sis. Jesca and bro. James and Edward both have been sick of Malaria and they need your prayer. It is a rainy season here and there is a lot of mosquitos.

Blessings and Love, Sadat.

In Loving Memory of Evert Thomas Forsman

Evert Thomas Forsman was born on March 5, 1946, to Maggie and John Forsman. He left this earthly life and ran into the arms of his Lord and Savior on October 19, 2020, surrounded by family and friends.

He loved his family and was a hard-working provider. He loved his morning coffee, reading, and studying God's Word, taking vacations with his family to church camp and his home state of Washington, which was so dear to his heart. He enjoyed watching sports and attending his children's sports events. He was a quiet, strong man of faith. He always had a smile and a kind word for everyone he met

The Christian Courier

and was loved by all who knew him. He bravely served his country as a medic in the United States Army during the Vietnam War and he dearly loved his country. He leaves a great legacy to his wife of 51 years, Becky, his 5 children and their spouses, 12 grandchildren, 2 great-grandchildren, 3 brothers and 1 sister. He will be greatly missed.

I remembered Evart as a child and teenager living on our farm/sawmill. Growing up on this environment, we had a lot of chores to do — milking the cows, gathering chicken and duck eggs, plowing the vegetable garden, seeding, weeding, and harvesting fruit and vegetables, stacking and hauling hay with our farm horse, debarking the logs before milling, stacking cord wood, and bagging sawdust and planer shavings; one would think we lived a dull life. I wouldn't say it was dull, but it did keep us out of trouble, and we really enjoyed this life. We enjoyed swimming and fishing in the Olalla creek which ran through our property, we played baseball in the cow pasture with some neighbor kids (had to watch out where we were

running), and we built our own toys with the abundance of lumber scraps available around the mill, we hiked in the woods, occasionally spotting deer and we were ever aware there were bears in these woods. Once in a while, we would hike down to the Olalla Bay and collect clams.

We did some things that I shudder to think about today, such as having a “nettle” fight while in our bathing suits. UGH!! We loved diving from the mill rafters into the shaving pile, but we were lucky we didn't get stabbed by a broken board in the pile.

During the winter we loved sledding down the hill. Elmer built a snowman at the bottom of the hill of which Evart got the smart idea of sledding down the hill and smashing it with his sled. Not so smart after all, the collision knocked him out.

Life with the four of us was never dull. I was proud of Evart for what he accomplished in his life, especially being a good Christian man.

He will be sorely missed!!

In Loving Memory of Roger Lamb

Roger Lamb of Selah, WA, 71 years of age, passed from this life on October 19, 2020. He was in his happy place in the Ahtanum, hunting with his youngest brother.

Roger lived his life and stood by his faith in Jesus Christ. He was a lifelong member of the Church of Christ. He took an active roll in the church his whole life.

Roger took a sheet metal apprenticeship following his graduation from high school. He

worked his entire life as a respected craftsman in the sheet metal trade. He retired in 2006.

Family was paramount, second only to his relationship with God. He was married to Sharon for 47 years. He was a devout husband to Sharon and loving father to his children, Justin (Fay), and Tracy Mouritsen (Todd). Life blessed him with five wonderful grandchildren whom he couldn't have loved more: Chris (#1), Abby, Sydney, Parker, and Cooper. Many precious and treasured memories with all of them.

Rodger love all children. One of the most special times of year for him was his role as Santa, which he actively played for 47 years.

Some of Rodger's hobbies were shooting, hunting, and fishing. He was a dedicated member of Sun Valley Shooting Park where he served on the board of directors. He spent many hours there with his friends shooting both targets and the "breeze."

Rodger is survived by his immediate family mentioned above, his siblings: Bobby (Betty),

Carol Bauer (John), Jim (Kathy), Douglas (Terri), and sister in law Barbara Hester (Dan) Rodger also cherished his nephews, nieces, and their precious children. He had many dear cousins, neighbors, and friends.

Rodger's passing has left a huge void in our lives. Rest in peace, dear Rodger, we are surely missing you and look forward to the day we meet again.

Due to the current Corvid situation a celebration of life will be held next Spring.

In Loving Memory of Jimmie Ray Loftis

Bro. Jimmie Ray Loftis (93) of Lorenzo, TX, passed away peacefully on November 21, 2020, with his loving family by his side. He was born January 18, 1927, to Samuel Leonard and Ida Boyd Loftis in Vernon, TX.

He married the love of his life, Jaetta Studer on July 28, 1945, in Seymour, TX.

Bro. Jimmie was a veteran of World War II, a mechanic for over 60 years, and he was a long-time member of the Westside Church of

Christ. He loved his family and his heavenly Father.

Jimmie was preceded in death by his parents and his siblings. Those left to cherish his memory are his wife of 75 years, Jaetta Loftis of Lorenzo, TX, his son Howard Ray Loftis of Lubbock, TX, his daughters: Cynthia Diane Hoffman of Lubbock, Rebecca Sue Forsman of Lorenzo, TX, Carolyn Ray Hatter of Lubbock, and Sharon Jo Moore of Lubbock. Jimmie also leaves behind 18 grandchildren, multiple great-grandchildren, and 2 great-great grandchildren whom he loved dearly.

In Loving Memory of Marion Glenn "Jack" Warford

Our dad, Jack Warford, was born June 25, 1942, and left this world October 22, 2020. He met the love of his life, our mother Darlene, at age 17 as a Dairy Queen. They married at the ages of 19 and 16 on May 22, 1962.

Jack worked at factories most of his life and retired from LaZBoy. He enjoyed his retirement traveling and preaching at various

congregations and helping son Paul (and family) with hauling hay and cattle pen deliveries. He was well known for his carpentry and vegetable garden, for his laugh and smile, and most of all for his love of the Lord.

All of his family wish to thank all for their love in this time. For all who wished to attend

his memorial, we are sorry we had to have a family graveside service only due to the pandemic that claimed his life.

Jack will be tremendously missed, but we count ourselves blessed to be his children and

family. And there is comfort in his rest, and in the promise of his Heavenly reward when the Lord returns.

All our love,
Jesse, Terry, Paul, Cheryl, and family
